

# Greer High School Bands

*"Commitment to Excellence"*

Dear Sponsor,

The students, parents, directors, staff and Booster Club of the Greer High School Band Program are very excited about the upcoming year and are positive about what the year has in store for us. As you know, the South Carolina school system has had devastating cutbacks and we are facing those again this year. Each year we are challenged with raising funds to support our band program and we cannot do it without your support. Therefore, we are reaching out to you, our local business community, for much needed help.

There are many ways you can help the Greer Band Program. Your support can be expressed by a cash donation, services, or merchandise. The band program is always in need of supplies and food for camp and competitions (office supplies, drinks, water, plates, cups, napkins,). If you are interested in donating services or merchandise, please contact Fredia Snow (864-848-4037) for more information.

For those of you who want to make a cash donation, there are different levels of sponsorships such as Platinum, Gold, Silver, Bronze, Family and Friends, and Game Day. (Please see attached sheet for description)

This will most likely be the best advertising money you will spend all year and you will also have the satisfaction of knowing that you helped the Greer High Band program.

Thank you in advance for your contribution.....**GO JACKETS!**
